B2 Vocabulary

Collocations for work and study

Natural word partnerships such as 'meet a deadline' and 'raise an issue'.

Collocations are words that naturally go together. Using them makes your English sound fluent rather than translated.

meet a deadline phrase

to finish work by the agreed time

We worked late to meet the deadline.

raise an issue phrase

to mention a problem for discussion

She raised an issue about the budget.

make progress phrase

to improve or move forward

You've made real progress this term.

take responsibility phrase

to accept that something is your duty or fault

The manager took responsibility for the error.

do research phrase

to study a subject carefully to find facts

I'm doing research on renewable energy.

reach an agreement phrase

to agree after discussion

The two sides finally reached an agreement.

gain experience phrase

to get knowledge or skill by doing something

An internship helps you gain experience.

pay attention phrase

to watch or listen carefully

Pay attention to the instructions.

set a goal phrase

to decide on something you want to achieve

Set a realistic goal for each week.

hold a meeting phrase

to organise and have a meeting

We hold a team meeting every Monday.

Practice

1. We need to ___ a decision by Friday. (make / do)
2. She ___ a lot of experience abroad. (gained / won)
3. Who will ___ responsibility for this project? (take / get)
